For each of the aforementioned 50/50 raffles, the draw dates will be as follows:

Sales will close immediately after the final game of the respective playoff series, or after Game 6 of the series if the Ottawa 67's will be the away team in Game 7 of the series.

In an OHL playoff series, teams will play up to 7 games. The playoff series finishes once either team has won 4 of the possible 7 games. Thus, a playoff series can end in fewer than 7 games in the event that either team wins 4 of 4 games, 4 of 5 games, or 4 of 6 games.

The team that finishes higher in the standings between the two teams in a series will play at home for Game 1, Game 2, Game 5, and Game 7. Thus, if the Ottawa 67's are lower than the opposing team in the OHL standings, Game 7 will be played as an away game, and sales will close after Game 6 (which is their final home game).

Below are all of the possible scenarios to help clarify the draw date:

- 4 Game Series: Winner drawn immediately after Game 4.
- 5 Game Series: Winner drawn immediately after Game 5.
- 6 Game Series: Winner drawn immediately after Game 6.
- 7 Game Series: Winner drawn immediately after Game 6.
