SPONSORSHIP OPPORTUNITIES

The Autism Moves Charity Open brings our community together for a day of golf, connection, and meaningful impact. This tournament is more than a round on the course—it's an opportunity to support individuals and families navigating autism while helping expand access to movement, sport, and inclusive programming. Every swing, sponsorship, and donation directly contributes to initiatives that empower individuals on the autism spectrum to build confidence, develop skills, and thrive through physical activity.

Through specialized programs, coaching, and supportive environments, Autism Moves helps program participants experience the physical, social, and emotional benefits of sport and exercise. Funds raised through the Charity Open help ensure these programs remain accessible to the families who need them most.

Join us for a memorable day on the course filled with friendly competition, community spirit, and purpose. Together, we can make a lasting difference — one swing at a time.

EVENT DETAILS

Date: Thursday, September 3, 2026

Time: Shot Gun start at noon

Location: Rockland Golf Club

After a great day of golf, participants are invited to stay for dinner and prizing, where we'll celebrate the day, recognize supporters, and continue raising awareness for this important cause.

Did you know?

Autism affects a growing number of families in Canada, with about **1 in 44 children and youth** identified on the autism spectrum. Yet many still face barriers to participating in traditional sports and recreation programs—missing out on the physical, social, and confidence-building benefits of movement.

Autism Moves is working to change that by creating inclusive movement and physical activity programs designed specifically for individuals on the autism spectrum.

Participation in movement-based programs can help individuals with autism:

- **Build confidence and independence**
- **Improve social and communication skills**
- **Develop coordination and physical health**
- **Experience connection and belonging in their community**

Through Autism Moves, participants are supported in an environment where they can move, grow, and succeed. Your support helps ensure these opportunities remain accessible to individuals and families in our community.
